

Dear Eddy/Rudi

Greetings from Kenya, Hope you are all doing well in that world of Scholarships and calls I am fine here in Kenya and as I told you, I am currently doing my PhD. with the US Army Laboratory at the Kenya Medical Research Institute (KEMRI). I am also lecturine at the Biochemistry Department University of Nairobi. I rarely use my hotmail account thus I request that when you send infor to the IPMB Alumni, kindly use this address and copy to my yahoo [madamkariuki@yahoo.com](mailto:madamkariuki@yahoo.com). Many thanks for the call infor but I have just received it thus I got late to apply. I wish you a lovely and great time. My regards to Sonia, Greta, Greet and entire IPMB.

Best Regards

Lucy
